EDUCATION

IIIT Hyderabad

B.Tech in Computer Science and Engineering

August 2024 – 2028

Pursuing first year

Courses:

C Programming, Computer Systems, Web Development, IoT

Intermediate :

Narayana Junior College, Visakhapatnam

2022-2024

School :

Narayana High School,

Up to 10th Grade(2022)

PROJECTS

IoT-Based People Inflow and Outflow Monitoring System

- Utilized IR, PIR, and camera sensors to track human entry and exit in a room
 - Employed Raspberry Pi Pico W for remote monitoring of occupancy count
 - Simulated the setup and logic flow using Tinkercad
 - Integrated a relay module to automate AC bulb control based on room occupancy
-

Languages

Telugu (Fluent)

English (Fluent)

Hindi (Basic understanding)

Achievements

Secured 99.9 percentile in JEE MAIN 2024 and 1200 rank in AP EAPCET 2024
